**Students must bring their music for the judge with measures clearly numbered!** If you forget your music, please go home and get it. (Originals only, no photocopies.) Students will not be allowed to play without an original score of their music for the judge.

Please arrive 15 minutes before the scheduled time and check in with the monitor at your assigned room. Practice rooms will be available for students to warm up. Be aware that the festival schedule can run ahead or behind and be prepared to adjust accordingly.

Ratings will be given to the student when the music and adjudication sheet is returned by the monitor. **It is very important that students take their adjudication sheet and go directly to the check-out table before leaving.** All students will receive a ribbon at the check-out table. Students receiving a Superior + will be scheduled for an Honors Recital. The Honors Recitals will be in Center Corner the same day as the festival. An Honors Recital schedule will be at the check-out table.

The Honors Recital will be held in Center Corner in the NSTU on the TCC Northeast Campus. The Honors Recital schedule varies each year. Depending on facility availability, the recitals will either run concurrently with the festival or will be scheduled in the evening after the festival. The recital schedule will be set when festival performance times are assigned. The following is a sample schedule taken from previous recital schedules:

- Winners from 9:00-10:30 will play in the 10:45 recital.
- Winners from 10:30-12:00 will play in the 12:30 recital.
- Winners from 1:00 to 2:30 will play in the 3:00 recital.
- Winners from 2:30 – 4:00 will play in the 4:30 recital.

Please arrive 15 minutes ahead of assigned recital time and check in with the recital hosts.

**Students will not be allowed to warm-up or practice in the recital hall before the recital.**

All students and family members must stay quiet in the hallways at all times. Please take personal conversations and rambunctious children outside. The Festival Committee greatly appreciates your help in minimizing distractions to the performers, monitors, and judges.
