

Dear Teachers,

We are very grateful that you came today and brought your students. We all know the value of having an “outsider” listen to our students and giving us feedback. We now need some feedback from you. Please take a few minutes and fill out this questionnaire. This will help us continue to have good festivals in the future. You may do this anonymously or you can sign your name.

Thanks,
The Festival Committee

Did the judge or judges that saw your students today have positive comments?

Does our adjudication page have what you needed on it?

If not, what can we do to make it better?

What did you like best about our Festival?

What could we do better?

Which judges would you like to have return?

Which judges would you recommend that we not have return?
